

GHIN HANDICAPS

GHIN handicaps are required by all USGA-sponsored tournaments, Trident Lakes Golf Club major tournaments, events, and intramural golf and other golf courses. Therefore, we encourage all our patrons to join the GHIN system, which will ensure you up-to-date, computerized maintenance of your handicap that will be honored at any golf course in North America. A nominal membership fee is required to join the GHIN system. Contact the Trident Lakes professional staff for more information.
