To enter a Theme Park, both a valid ticket and a Park reservation for that Park are required. Before purchasing this ticket, check that reservations are available for this ticket for the date(s) and Park(s) you would like to visit. Make your reservations immediately after purchasing your ticket because reservations are limited, and you may not be able to get a reservation for your desired date or Park. Check availability at [disneytraveltradeinfo.com/wdwcalendar](https://disneytraveltradeinfo.com/wdwcalendar).

Reservations are subject to availability of reservations allocated to this ticket as determined by Disney, and Park capacity. Reservation availability is not guaranteed. Reservations may be unavailable for any particular date or Park, especially as you get closer to the date of visit or ticket expiration date. For any given date, other admission types may be available for purchase and reservations may be available for other admission types even though reservations for this ticket are fully reserved.
